

I Will Dare

People can tell me what they've done.
Maybe some things. Maybe none.
But people can't tell me what to do.
I will choose the way that's true for me.

Don't **want** to fall into the trap.
Don't **want** to be somebody's sap.
I'm better than that. I'll go to the mat.
To prove I can be drug free! Yeah, yeah!

- D. I won't do drugs.
- A. Won't have an attitude.
- R. I will respect myself
- E. I will educate me.

- R. I will respect myself
- E. I will educate me. Now-----

People can tell me what they know.
I will listen as I go.
But people can't take my mind away.
Only I can have a say in me.

Don't **have** to follow others' path.
Don't **have** to know their aftermath.
My mind is my own. I'll reap what I've sown.
I know I can be drug free! Yeah, yeah!

D. I won't do drugs.
A. Won't have an attitude.
